TriplePoint Design Build Named NARI 2013 National (CotY) Contractor of the Year, 2nd Consecutive Year Named National (CotY) Contractor of the Year

Kansas City, MO, 4/12/13 --- The National Association of the Remodeling Industry (NARI) named TriplePoint Design Build in St. Petersburg, FL 2013 National Contractor of the Year (CotY) in the Residential Bathroom over \$60,000 category of its annual awards competition.

“Winning a CotY award is an incredible honor,” said Neal Fiske, President and Founder of TriplePoint Design Build. “To be acknowledged for our work by our peers in the industry is very special.” “We are honored that NARI has recognized us again for the creativity, quality in craftsmanship and innovation that has been the hallmark of TriplePoint Design Build for many years.”

The Evening of Excellence™ is the premier remodeling industry event that celebrates NARI’s Contractor of the Year (CotY) Awards winners. Held Fri., April 12, 2013, the event was attended by more than 200 of the industry’s elite and was sponsored by the following NARI national member companies: Platinum Sponsors – Pella Corporation and The Home Depot.

To be considered for a CotY Award, a company must be a NARI member in good standing. The entries in this year’s competition totaled \$71 million worth of remodeling projects. NARI members represent an elite group of the approximately 800,000 companies and individuals in the U.S. identifying themselves as remodelers.

Homeowners are estimated to spend a total of \$145.5 billion on home improvements in the U.S. through the third quarter of 2013.

NARI is a professional association whose members voluntarily subscribe to a strict code of ethics. Consumers may wish to search www.NARIREmodelers.com to find a qualified professional who is a member of NARI.

Consumers can also call NARI National at (847) 298-9200 and request a free copy of NARI’s brochure, “How to Select a Remodeling Professional,” or visit www.nari.org and click on the homeowner’s guide for more information. For information on green remodeling, visit www.greenremodeling.org.
